Abstract: Your abstract goes here.

NOTE: If you do not know LaTeX, the word processing software we are using, could you submit a text file for your abstract or, if you have pictures or equations, a Microsoft Word file.

For LaTeX users, we will strip the preamble and put all abstracts together. Therefore, please do not change the “\usepackage’s above and do not add your own packages. Please do not use macros (\def or \newcommand) but hard code your formulas so we can put all the abstracts together.
